

School Sports Premium 2017-18 Expenditure

SSP Income		£17,110 <i>estimate</i>	
		<i>(The Government has notified schools that the SSP will be doubled this year but the exact amount due has not been confirmed)</i>	
Expenditure	Objectives	Amount	Evaluation
Mininastics / Games – Inspire Sports Centre	<ul style="list-style-type: none"> To provide opportunities for the KS2 students to participate in PE lessons in a sports hall. To develop co-ordination and gross motor skills. To develop stamina. To try a range of different activities in PE lessons. 	£2470	<p>Students have benefited from having consistent access to a familiar and trusted environment. Ambulant students grow in both ability and confidence from this large, safe space. Regular access to the large sports centre, has stimulated and encouraged all students, including those challenged by focused gross motor development and social interaction.</p> <p>Students have developed balancing and pushing and pulling. This has been achieved through accessing a range of equipment, presented in a challenging and engaging, large circuit.</p> <p>Decision making abilities have also been developed as children are given a variety of different activities to choose from during these PE lessons.</p>
Gymnastics – Galaxy Gym	<ul style="list-style-type: none"> To provide opportunities for the KS1 students to participate in PE lessons in a gym. To develop co-ordination and gross motor skills. To develop stamina. To try a range of different activities in PE lessons. 	£1330	<p>Students are encouraged to use an assortment of muscles through a range of activities and advance their problem solving skills, through interacting with a variety of equipment.</p> <p>Students have had the opportunity to experience a range of gymnastic equipment including balance beams and a trampoline.</p> <p>Students have grown in confidence due to the consistent use of the gym. This is evident through improvement of spatial awareness and greater independence demonstrated by individuals.</p>
Swimming	<ul style="list-style-type: none"> To provide a deep water pool where pupils can further 	£1254	Students now access the deep water

<p>Lessons -- Inspire Sports Centre</p>	<p>develop their swimming skills.</p> <ul style="list-style-type: none"> • To develop confidence in deep water. • To develop stamina. • To learn to swim without floatation aids, where possible • To complete swimming awards. 		<p>pool independently. Interaction has developed from a complete lack of confidence for many individuals and refusal to access this resource, to now displaying complete independence when entering and exiting the pool.</p> <p>Updated swimming award certificates have been introduced, with supporting assessment materials.</p> <p>Access to specialist teaching has encouraged more swimming, with less support from floatation aids where appropriate.</p>
<p>Trikes</p>	<ul style="list-style-type: none"> • Specially adapted tricycles enable children with physical impairment to be active, and the movement aids their therapy. <p>A grant towards bikes/ trikes is available from The Lords Taverners Charity – the school would need to contribute 25% of the cost.</p>	<p>£500 est.</p>	<p>Trikes are accessed daily across all key stages.</p> <p>Physios incorporate the trikes into individualised programmes and strategies.</p>
<p>Outside Environment</p>	<ul style="list-style-type: none"> • To provide a safe surface for outdoor play and physical activity e.g. 'astroturf'. • To enable the children, especially those with physical impairment to play outdoors throughout as much of the year as possible. 	<p>£11556 est.</p>	<p>Improvement of the outdoor play area is to be completed before the end of this academic year.</p> <p>The outdoor play areas are designed to be enjoyed by all children at LZW, both ambulant and PMLD.</p> <p>Themes and fun days including animal safaris and Farms, The Nativity, 'Everest in a day' and 'More than a Marathon', have been introduced to the outdoor environment throughout the year, to ensure its productive use.</p>
